Protective Cases

Pelican Case

Sensitive equipment needs protection and, since 1976, the answer has been the Pelican Protector Case. These cases are designed rugged, and travel the harshest environments on earth. Against the extreme cold of the arctic or the heat of the battle, Pelican cases have survived. Made in the USA, these tough cases are designed with an automatic purge valve that equalises air pressure, a watertight silicone O-ring lid, over-moulded rubber handles and stainless steel hardware.

- Water-tight, crush-proof, and dust-proof
- Automatic pressure equalization valve: balances interior pressure, keeps water out
- Lifetime guarantee of excellence
- O-ring seal
- Open cell core with solid wall design - strong, lightweight
- Pick N Pluck™ with convoluted lid foam
- Stainless steel hardware
- Easy open double throw latches
